

BLEAU CHAISE LOUNGES

An ode to the storied Fontainebleau resort in Miami, Bleau provides the foundation for timeless outdoor spaces. Airy slings or warm Ecowood slats are captured in clean-lined aluminum frames, setting the scene for open-air dining and poolside lounging. Comprehensive and versatile, Bleau solves for any outdoor environment, from residential to commercial.

CONSTRUCTION

Frame: Constructed from high quality, pure aluminum alloy, frames are coated in our Marine Primer and finished in an architectural-grade powder coat, creating a rich, dimensional color.

Marine Primer: A proprietary spray epoxy basecoat seals out oxygen and prevents corrosion.

Standard Slings: Woven from high quality PVC yarns, our mesh slings are comfortable, resilient, and low maintenance. Providing superior performance in colorfastness, tensile strength, and abrasion resistance, slings also feature a built-in antimicrobial ingredient allowing them to stay cool, dry quickly, and resist mold.

Comfort Cushion Slings: Combining the added softness of a cushion with the low maintenance of a mesh sling, our Comfort Cushion sling can be easily removed and replaced by the customer.

Stacking: Single chaise lounges stack up to 8 high. Double chaises lounges are not stackable.

FINISHES

Visit pavilionfurniture.com/finishes or click the links below for all available finish options.

Powder Coat

Sling

SPECIFICATION

Specify powder coat paint color and sling fabric.

ACCESSORIES

Optional Cushions: Chaise cushions are fastened to frames with marine grade snaps, keeping them neatly in place.

Tailored Protective Covers:

Recommended for the protection of your investment, our covers are constructed from a high-quality, waterproof fabric that is stain and UV resistant while also inhibiting the growth of mold and mildew. Available in taupe or grey, covers are sized to each product and snugly secure to frames with adjustable Velcro straps.
