CRANDON ECOWOOD BENCHES

Inspired by the laid-back energy of Crandon Park, this collection brings stylish repose to any outdoor setting. Featuring angled cushions in a clean, rectilinear form, this extensive seating collection is comprised of dining, bar, lounge, and modular solutions. An optional Ecowood finish brings a natural aesthetic to benches and barstools.

CONSTRUCTION

Frame: Constructed from high quality, pure aluminum alloy, frames are coated in our Marine Primer and finished in an architectural-grade powder coat, creating a rich, dimensional color.

Marine Primer: A proprietary spray epoxy basecoat seals out oxygen and prevents corrosion.

Ecowood: Produced from a high-density polymer using recycled materials and sustainable manufacturing methods, Ecowood provides warmth and texture through its wood grain aesthetic. Engineered for diverse weather conditions, Ecowood will not corrode, splinter, or rot, and requires no sealing or painting.
