

PINECREST CHAISE LOUNGES

The taught curves and restrained lines of the Pinecrest Collection bring balance and simplicity to hospitality exteriors. A wide range of dining and lounge pieces instill cohesiveness from the restaurant to the pool, while the broad range of chaise lounges, inclusive of single, double and arched models, create unique waterfront experiences bound to make a lasting impression.

Seat Height	14 in	36 cm
Weight	56 lb	25 kg

CONSTRUCTION

Frame: Constructed from high quality, pure aluminum alloy, frames are coated in our Marine Primer and finished in an architectural-grade powder coat, creating a rich, dimensional color.

Marine Primer: A proprietary spray epoxy basecoat seals out oxygen and prevents corrosion.

Standard Slings: Woven from high quality PVC yarns, our mesh slings are comfortable, resilient, and low maintenance. Providing superior performance in colorfastness, tensile strength, and abrasion resistance, slings also feature a built-in antimicrobial ingredient allowing them to stay cool, dry quickly, and resist mold.

Comfort Cushion Slings: Combining the added softness of a cushion with the low maintenance of a mesh sling, our Comfort Cushion sling can be easily removed and replaced by the customer.

Stacking: Single chaise lounges stack up to 8 high. Double chaises lounges are not stackable.

FINISHES

Visit pavilionfurniture.com/finishes or click the links below for all available finish options.

Powder Coat

Sling

SPECIFICATION

Specify powder coat paint color and sling fabric.

ACCESSORIES

Tailored Protective Covers:

Recommended for the protection of your investment, our covers are constructed from a high-quality, waterproof fabric that is stain and UV resistant while also inhibiting the growth of mold and mildew. Available in taupe or grey, covers are sized to each product and snugly secure to frames with adjustable Velcro straps.
