Compact yet substantial, the Cavo Table delivers brilliant functionality in a friendly design. Reminiscent of the cavernous Bald Cypress trees native to the Florida Everglades, this table features a simple, barrel-shaped silhouette with a hollow base.

Cavo allows for convenient poolside storage of towels, sandals, or totes, while the clever design also makes it easy to transport around outdoor shared spaces. Constructed from high-quality aluminum, Cavo can be customized in a variety of powder coat finishes to suit any palette. Practical and attractive, this ancillary side table is an instant hospitality essential.
