WE ARE

PAVILION

MADE FOR LEISURE

Recognized for its natural beauty and recreational hotspots, Miami's Biscayne Bay was the inspiration behind this inviting lounge collection. Distinguished by generous curves, the Biscayne Collection ensures exceptional relaxation with deep dimensions and soft cushions. Achieve boundless comfort with a curated selection of independent pieces and a modular sofa system.

On the Cover: Biscayne Lounge Chairs with Del Mar frame and cushion in Sunbrella Solana Seagull

Above: Biscayne Lounge Chairs and Curved Sofa Section in Matte White frame with cushions in customer's own material.

Copius Arrangements

Mix and mingle independent and modular pieces to create endless lounge configurations. Curved modular elements are the building blocks for dynamic soft seating spaces—perfect for rooftop bars, poolside cabanas, and outdoor meeting areas.

Deep, plush cushions are balanced with tapered legs to provide a cozy sit within a small footprint, allowing Biscayne to work well in both large and small formats.
