

EASTSIDE DOUBLE CHAISE LOUNGE

The “MiMo” architecture of Miami’s Upper Eastside neighborhood informed the modern sensibility that this collection expresses. Designed with ample proportions, Eastside is comprised of a robust series of chaise lounges, with complementary daybed, dining chairs and occasional tables, bringing a retro vibe into any poolscape.

Weight	108 lb	49 kg

CONSTRUCTION

Frame: Constructed from high quality, pure aluminum alloy, frames are coated in our Marine Primer and finished in an architectural-grade powder coat, creating a rich, dimensional color.

Marine Primer: A proprietary spray epoxy basecoat seals out oxygen and prevents corrosion.

Standard Slings: Woven from high quality PVC yarns, our mesh slings are comfortable, resilient, and low maintenance. Providing superior performance in colorfastness, tensile strength, and abrasion resistance, slings also feature a built-in antimicrobial ingredient allowing them to stay cool, dry quickly, and resist mold.

Comfort Cushion Slings: Combining the added softness of a cushion with the low maintenance of a mesh sling, our Comfort Cushion sling can be easily removed and replaced by the customer.

Contract-Grade Removable Cushions: Comprised of long-wearing, high resilience foam, cushions are plush, supportive, and breathable with enhanced protection from a water and bacteria-resistant fabric liner. Cushions are fastened to frames with marine grade snaps, keeping them neatly in place. The price list includes a graded-in selection of contract quality, high-performance outdoor fabrics. For customer’s own material (COM), please contact customer service for details.

SPECIFICATION

Specify powder coat paint color and sling or cushion fabric.

ACCESSORIES

Tailored Protective Covers:

Recommended for the protection of your investment, our covers are constructed from a high-quality, waterproof fabric that is stain and UV resistant while also inhibiting the growth of mold and mildew. Available in taupe or grey, covers are sized to each product and snugly secure to frames with adjustable Velcro straps.
