

# THE MARINA COLLECTION

Outdoor lounge that transports  
you to a simpler time

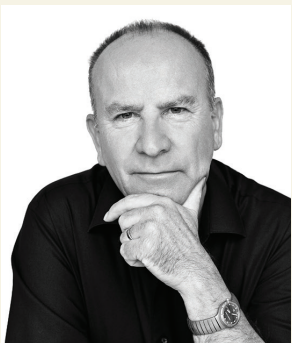

# INFINITE WEEKEND VIBES

---

Marina draws inspiration from the nautical style of the sailboats, motor yachts and cruise lines that share in the coastal resort culture of Miami. The collection offers a premium interpretation of a classic tubular frame with a handwoven, webbed seat and back. Cleverly enhanced with optional cushions or arm caps in colorful yacht cord or wood grain finish, the Marina Collection transports you to a simpler time.

**Designer**

**RICHARD FRINIER**

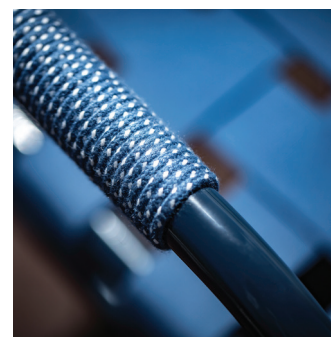

A native Californian, Richard Frinier is passionate about designing for the casual furnishings industry with an emphasis on residential, contract, hospitality and resort environments.

Best known for his award-winning furniture and textile designs that bring the quality of living indoors outside and the casual spirit of the outdoors inside, his passion and dedication have led him to receive over 90 design excellence awards and his career has been recognized with a Lifetime Achievement Award from the International Casual Furnishings Association and induction into the American Home Furnishings Hall of Fame.

# RETRO AESTHETIC

Inspired by mid-century hand-woven designs, Marina's simple aesthetic brings a vintage quality to outdoor spaces from the pool deck to the cafe, while modular lounge elements optimize the collection's overall versatility.

## Modern Accents

Dining and Lounge Chairs feature decorative arm cap details in wood grain or yacht cord. Deckor arm caps are made of aluminum with a woodgrain texture, offering the warmth of wood with little maintenance, available in three finishes. Yacht cord, comprised of Sunbrella performance yarns that are twisted and braided in a birds-eye pattern is available in the corresponding color palette to the collection's FlexStrap webbing.
