

Designed by Richard Frinier

MARINA DINING CHAIR

Marina draws inspiration from the nautical style of the sailboats, motor yachts and cruise lines that share in the coastal resort culture of Miami. The collection offers a premium interpretation of a classic tubular frame with a handwoven, webbed seat and back. Cleverly enhanced with optional cushions or arm caps in colorful yacht cord or wood grain finish, the Marina collection transports you to a simpler time.

Dining Arm Chair

Width	24 in	61 cm
Depth	27 in	69 cm
Height	31.5 in	80 cm
Seat Height	18 in	46 cm
Arm Height	25 in	63.5 cm
Weight	13 lb	6 kg

CONSTRUCTION

Frame: Constructed from high quality, pure aluminum alloy, frames are coated in our Marine Primer and finished in an architectural-grade powder coat, creating a rich, dimensional color.

Marine Primer: A proprietary spray epoxy basecoat seals out oxygen and prevents corrosion.

FlexStrap: Engineered for durability and comfort using reinforced Sunbrella yarns in a rich, woven design, FlexStrap provides the seat and back structure for the Marina collection. It is stain, mold, UV and weather resistant.

Dekor Cap: A proprietary and patented decorative design detail made of aluminum with a wood-grain texture, Dekor offers the warmth of wood with little maintenance.

Yacht Cord: A weather-resistant braided cord that lends visual interest and a comfortable arm rest to our Marina collection. The cord is made of Sunbrella performance yards twisted and braided in a 5mm diameter birdseye pattern.

SPECIFICATION

Specify powder coat paint color, FlexStrap fabric and armrest option.

ACCESSORIES

Tailored Protective Covers:

Recommended for the protection of your investment, our covers are constructed from a high-quality, waterproof fabric that is stain and UV resistant while also inhibiting the growth of mold and mildew. Available in taupe or grey, covers are sized to each product and snugly secure to frames with adjustable Velcro straps.
