

Designed by Richard Frinier

MARINA MODULAR LOUNGE

Marina draws inspiration from the nautical style of the sailboats, motor yachts and cruise lines that share in the coastal resort culture of Miami. The collection offers a premium interpretation of a classic tubular frame with a handwoven, webbed seat and back. Cleverly enhanced with optional cushions or arm caps in colorful yacht cord or wood grain finish, the Marina collection transports you to a simpler time.

CONSTRUCTION

Frame: Constructed from high quality, pure aluminum alloy, frames are coated in our Marine Primer and finished in an architectural-grade powder coat, creating a rich, dimensional color.

Marine Primer: A proprietary spray epoxy basecoat seals out oxygen and prevents corrosion.

FlexStrap: Engineered for durability and comfort using reinforced Sunbrella yarns in a rich, woven design, FlexStrap provides the seat and back structure for the Marina collection. It is stain, mold, UV and weather resistant.

Contract-Grade Removable Cushions: Comprised of long-wearing, high resilience foam, cushions are plush, supportive, and breathable with enhanced protection from a water and bacteria-resistant fabric liner. The price list includes a graded-in selection of contract quality, high-performance outdoor fabrics. For customer's own material (COM), please contact customer service for details

FINISHES

Powder Coat

FlexStrap

Fabric

SPECIFICATION

Specify powder coat paint color, FlexStrap fabric, and cushion fabric.

ACCESSORIES

Tailored Protective Covers:

Recommended for the protection of your investment, our covers are constructed from a high-quality, waterproof fabric that is stain and UV resistant while also inhibiting the growth of mold and mildew. Available in taupe or grey, covers are sized to each product and snugly secure to frames with adjustable Velcro straps.
