Weight	16 lb	7 kg

Round Side Table

SL 1823-16

Diameter	23 in	58 cm
Height	16 in	41 cm
Weight	20 lb	9 kg

CONSTRUCTION

Frame: Constructed from high quality, pure aluminum alloy, frames are coated in our Marine Primer and finished in an architectural-grade powder coat, creating a rich, dimensional color.

Marine Primer: A proprietary spray epoxy basecoat seals out oxygen and prevents corrosion.

Aluminum: Sourced from high quality, pure aluminum alloy, aluminum tops are protected by our Marine Primer and finished with an architectural-grade powder coat. Available in solid and perforated patterns.

Corian: Defined by superior durability and low maintenance, Corian is a solid, non-porous surface with outstanding UV performance. This impermeable tabletop prevents the growth of mold and mildew while its integral color promotes high abrasion resistance and easy cleaning.

Ecwood: Produced from a high-density polymer using recycled materials and sustainable manufacturing methods, Ecwood provides warmth and texture through its wood grain aesthetic. Engineered for diverse weather conditions, Ecwood will not corrode, splinter, or rot, and requires no sealing or painting.

Pietra: Marrying the look of Italian marble with the endurance of dense, engineered stone, Pietra boasts exceptional UV and scratch resistance, low porosity, and superior colorfastness.

Powder Coat

Table Tops

SPECIFICATION

Specify powder coat paint color and table top material.

ACCESSORIES

Tailored Protective Covers:

Recommended for the protection of your investment, our covers are constructed from a high-quality, waterproof fabric that is stain and UV resistant while also inhibiting the growth of mold and mildew. Available in taupe or grey, covers are sized to each product and snugly secure to frames with adjustable Velcro straps.
