# SUBLIME COMFORT

---

Salita helps relaxed, sociable gatherings take shape with handcrafted, durable materials and a tailored aesthetic. With more than 25 seating and table elements for creative placemaking, Salita delivers a refined lounge experience for outdoor areas ranging from compact to spacious.

Designer  
**COLIN NOURIE**

An American industrial designer and founder of Collective Ten, Colin Nourie has been working in product design for over two decades. Inspired by modern architecture and the values of contemporary living, his comprehensive body of work has spanned furniture, lighting, and office systems. His critically acclaimed collaborations with major furniture manufacturers have garnered such awards as Good Design, European Product Design, and NeoCon Gold.

# CREATE YOUR IDEAL SPACE

Salita freestanding and modular elements allow for a boundless array of outdoor spaces that inspire a sense of discovery. One- two- and three-seat sections connect with corner, curved, table and chaise pieces for a wide range of configurations. The durable, flexible connectors require no tools.

## Premium Mix of Materials

Salita provides a visually quiet aesthetic with an appealing mix of materials, from the textural woven back to the premium finish on the sculptural legs to the soft, inviting shapes of the cushions.

The collection is available in a wide array of finishes and high-performance materials, with an optional contrasting accent cushion.
