UNFORGETTABLE GATHERINGS

Designed to facilitate connection, conversation, and collaboration, Southpoint tables let you savor the moment together. Available in a wide range of sizes from petite squares to large communal tables, this versatile collection invigorates any space—from outdoor meetings to family-style dining, cafés, and everything in between.

Above: 42 × 120" Southpoint Dining Table with Night Fog base and Limestone Pietra top; Bleau Aluminum Arm Chairs in Night Fog.

On the Cover: 42 × 120" Southpoint Dining Table with Matte White base and Limestone Pietra top; Crandon Bench in Matte White with Stonewood Ecowood slats.

Inspired by the architectural technique of using pillars or stilts to lift a structure off the ground or water, Southpoint tables feature four aluminum column legs creating an airy, modern silhouette.

The signature ten-foot-long banquet table invites friends and family to gather for food, laughter and fun—and leisurely conversations that linger on, long after the sun has set.

Right: 42 × 120" Southpoint Dining Table with Matte White base and Limestone Pietra top; Marina Dining Arm Chairs in Desert with Cadet FlexStrap and Yacht Cord.
