**CONSTRUCTION**

**Frame:** Constructed from high quality, pure aluminum alloy, frames are coated in our Marine Primer and finished in an architectural-grade powder coat, creating a rich, dimensional color.

**Marine Primer:** A proprietary spray epoxy basecoat seals out oxygen and prevents corrosion.

**Corian:** Defined by superior durability and low maintenance, Corian is a solid, non-porous surface with outstanding UV performance. This impermeable tabletop prevents the growth of mold and mildew while its integral color promotes high abrasion resistance and easy cleaning.

**Pietra:** Marrying the look of Italian marble with the endurance of dense, engineered stone, Pietra boasts exceptional UV and scratch resistance, low porosity, and superior colorfastness.

**Aluminum:** Sourced from high quality, pure aluminum alloy, aluminum tops are protected by our Marine Primer and finished with an architectural-grade powder coat. Available in solid and perforated patterns.

**Tempered Glass:** Our tempered glass is four times stronger than traditional glass and can withstand drastic changes in temperature as well as prolonged exposure to direct sunlight.

**Ecwood:** Produced from a high-density polymer using recycled materials and sustainable manufacturing methods, Ecwood provides warmth and texture through its wood grain aesthetic. Engineered for diverse weather conditions, Ecwood will not corrode, splinter, or rot, and requires no sealing or painting.

**FINISHES**

Visit [pavilionfurniture.com/finishes](http://pavilionfurniture.com/finishes) or click the links below for all available finish options.

**Powder Coat**  
**Table Tops**

**SPECIFICATION**

Specify powder coat paint color and table top material.

**ACCESSORIES**

**Tailored Protective Covers:** Recommended for the protection of your investment, our covers are constructed from a high-quality, waterproof fabric that is stain and UV resistant while also inhibiting the growth of mold and mildew. Available in taupe or grey, covers are sized to each product and snugly secure to frames with adjustable Velcro straps.

**ADA COMPLIANCY**

PT 4000 and EW 4100 Series Dining Tables are fully ADA compliant featuring: a surface height between 28" and 34" above floor, a minimum knee clearance of 27-29" between floor and underside of table, and knee clearance extending at least 19" under table.
